## Why St John's?

Membership in St John's College gives you a variety of benefits, not the least of which is a smaller community to call home during your 3, 4, 5 or more years here. Other benefits include...

**Money** - St John's distributes about \$60,000 worth of scholarships, bursaries, and awards to its members each year.

**Food** - SJC members receive free food at the opening and end-of-term barbecues as well as a 10% discount at the Daily Bread Café.

**Study Space** - Johninans can apply to rent a carrel in one of three study carrel rooms in the College. Applications are available from the General Office. You can also study in College classrooms when they are not booked (check the schedule outside the door first) - just display your student card with SJC sticker in the window of the door.

**Student Government** - positions on the College student council, SJCSA, include a first-year representative, programming directors, and UMSU and Assembly Reps.

**Events** - watch for posters in Blake Wood Square & bulletin boards in the College for upcoming events.

**A Place to Hang Your Hat** - such as the student lounge, which houses several of the most comfortable couches on campus, two foosball tables, a TV, radio, a phone, a fridge and a microwave.

**Smaller Class Sizes** - Some of the most popular first-year courses are held in St John's College and have significantly smaller class sizes.

**The Anglican Connection** - St John's College is affiliated with the Anglican Church of Canada. Students are welcome to attend weekly chapel services on Sundays at 4:00 pm and/or morning prayers (9:00) or noonday prayers (noon). Dates and times for special services will be announced.

**The G.O.** - if you have a question and don't know who to ask, stop by the General Office (214) and chances are someone there will be able to answer your question or direct you to the right department on campus. Sometimes there is even candy on the receptionist's desk!

**Computer Lab** - St John's has a small computer lab in room 121.

**Library** - one of the 11 libraries on campus, St John's library, is located on the third floor of the College.

## Survival Map/Guide

As a community of over 27,000 people, the U of M needs a network of support services. Here are a few that you are likely to use. The University of Manitoba Students' Union (UMSU) runs a number of businesses and services for students. These and others you will find in University Centre on:

### Main Floor:

**Answers** Information Booth - get your answers here, just inside the main entrance to University Centre. Answers is also a Select -A-Seat ticket outlet.

**Book Store** - home of text books, other books, CDs, computers and computer equipment, U of M clothing and merchandise, stationary, and last minute birthday presents.

**Campo** - a whole world of eateries awaits you on the main floor of University Centre in the area underneath the overhanging 2<sup>nd</sup> floor.

**Cashier's Office** - if you haven't paid for your tuition fees yet, this is where you'll go to pay them in person. The Cashier's Office is across from the Parking Office, and you'll recognize it by the long line-ups outside the door.

**Parking Services** - located across from the Cashier's Office; if you need a parking pass, this is where you'll pick it up.

**Peer Advisors** - this peer counseling service is staffed by other students, and you can find it just before the tunnel to the Science complex.

**Pharmacy and Postal Outlet** - across from the Bookstore, you'll find your favorite anti-perspirant, anti-histamine, and shampoo PLUS stamps, envelopes, etc. You can send mail across campus for free if you drop it in the grey mailbox outside the Post Office.

**Tim Horton's** - right in the middle of UC in front of the Campo Café you can grab your coffee, donut or bagel. There is also one on the 2<sup>nd</sup> Floor.

**Travelcuts** - ticketing and travel agents on campus for train and air reservation and information

## 2<sup>nd</sup> Floor:

**The Manitoba Room** (still know by its old name, the **Multi Purpose Room or MPR**) - used for a variety of purposes some of which include paying tuition at the beginning of the year, used book sale, exams, fashion shows, dinners and parties.

**Tim Horton's** - just past the Manitoba Room near the elevators on the east side of the building. You can grab your coffee, donut or bagel. There is also one on the 1<sup>st</sup> Floor.

## 3<sup>rd</sup> Floor:

**Degrees Diner** - here you will find a little eatery with an interesting atmosphere and good food and drinks.

**IQ's Café and Billiards** - a hangout, run by UMSU, which offers pool tables, snacks, and Starbucks coffee.

**Wise Guys on Campus** - the only bar on Campus; you will have to buy a membership for \$5 / year.

## 4<sup>th</sup> Floor:

**Financial Aid and Awards** - The University awards several scholarships and bursaries that are open to all students; you can find out more information on these on the U of M website. St John's College also offers a great number of scholarships, bursaries and awards; come and see the Awards Clerk in room 241 on the second floor in the south wing of the college for details.

**Student Counselling and Career Centre** - offer a variety of services for personal, academic, and career-related issues.

**Student Records** - this is where you get your student card, transcripts, and other academic information.
